
CONTENTS

● Previous Years' Solved Papers

1. Discrete Structures	3–52
* Objective Type Questions	24
2. Computer Arithmetics	53–148
* Objective Type Questions	111
3. Principles of Programming in C & C++	149–335
* Objective Type Questions	279
4. Computer Graphics	336–385
* Objective Type Questions	379
5. Concepts of Database	386–461
* Objective Type Questions	443
6. Data and File Structure	462–546
* Objective Type Questions	528
7. Computer Networks and Transmission System	547–624
* Objective Type Questions	604
8. System Software and Compilers	625–653
* Objective Type Questions	634
9. Operating System	654–753
* Objective Type Questions	718
10. Concepts of Software Engineering	754–845
* Objective Type Questions	826
11. Current Trends and Technologies.....	846–916
* Objective Type Questions	901
12. Artificial Intelligence.....	917–979
* Objective Type Questions	1–16
