
Contents

● Logy in Biology	3–21
● Larvae of Animals	22–24
● Animals and their Scientific Names	25–47
— Invertebrates	25
— Vertebrates	32
— Fish	32
— Amphibians	36
— Reptiles	37
— Turtles	38
— Crocodiles	39
— Snakes	39
— Poisonous Snake	40
— Birds	41
— Mammal	43
● National Parks and Wildlife Sanctuaries of India	48–89
— Biosphere Reserves	48
— Game Sanctuaries	51
— Teeth in Animals	53
— Birth Period of Animals	55
— Life Span of Animals	59
— Female Animals	60
— Important Days	61
— Animal Sound, Animal Calls	63
— Animal Baby	65
— Number of young ones produced in Animals	66
— Human Body	69
— Incubation period of Bird's egg (Approx.)	71
— Homes of Animals	73
— Gestation Period of Animals	74
— Superlatives among Animals	77
● Molecular Biology	90–99

● Animal Physiology, Anatomy, Reproduction, Wildlife and Environment	100–137
— Questions on Wild Animals	112
— Evolution	120
— Causative Agents	122
— Deficiency and other Disease	124
— Some General Questions	130
● Some Questions on Plant Sciences	138–162
— Important Plant Diseases caused by Bacteria	155
— Some Important Plant Diseases caused by Fungi	155
— Important Human Diseases caused by Bacteria and Fungi	156
— Important Antibiotics obtained from Bacteria	157
— Important Antibiotic Extracted from Fungi	157
— Important Human Diseases caused by Viruses	157
— Important Disease of Human Eye	158
— Edible Parts of Some Fruits	158
— Common Name of Some Plants	159
— Chromosome Number of Some Plants	160
— Some Important Commercial Plants	160
● Nobel Laureates and Scientific Contributions	163–176
