
Contents

1. Development of Child	3–70
● Meaning of Child Development	3
● Development of the Whole Child	4
● Development, Growth and Maturation	4
● Growth and Development Compared	5
● Characteristics and Principles of Development	5
● Educational Implications of the Principles of Development	7
● Stages of Development	8
● Characteristics of Each Stage of Human Growth and Development	9
● Significance of Interrelationships and Interdependence of Various Aspects of Development	10
● Psychological Characteristics of an Adolescent	10
● Measurements of Attitudes	14
● Importance of Measuring Interest	16
● Definition of Aptitude	17
● Definitions of Intelligence	18
● Description of Intelligence	19
● Theories of Intelligence	20
● Development of Personality	22
● Determinants of Personality	24
● Mental Health	31
● Foundations of Mental Health	32
● Approaches and Methods Used to Understand Learner's Behaviour	33
● Case Study Approach	34
● Experimentation	36
● Observation	38
● Interview	40
● Developmental Tasks	41
● Multiple Choice Questions Set No. 1	44
● Multiple Choice Questions Set No. 2	58

2. Understanding Learning	71–121
● Concept and Nature of Learning	71
● Nature and Characteristics of Learning	72
● Learning Process	73
● Principles or Laws of Learning and the Teacher	73
● Classification of Determinants of Learning	75
● The Child as a Learner	76
● Environment as a Factor in Learning	76
● Teacher as the Inductor of Change and a Factor in Learning	77
● Approaches to Learning and their Applicability	77
● Major Domains of Learning	80
● Cognitive Domain and Educational Implications	82
● Affective Domain of Learning Formation of Attitudes, Emotions and Values	84
● Motivation	85
● Memory and Forgetting	86
● Curves of Forgetting	88
● Causes and Minimising Forgetfulness	88
● Definition and Nature of Transfer Learning	89
● Transfer of Training : Two Schools of Thought	89
● Principles of Transfer of Learning	90
● Implications of Transfer of Learning for Teaching-Learning Situations	90
● Multiple Choice Questions Set No. 1	92
● Multiple Choice Questions Set No. 2	103
● Multiple Choice Questions Set No. 3	115
3. Pedagogical Concerns	122–184
● Pedagogy	122
● Relevance of Child Development for the Teacher and especially an Elementary Teacher in Understanding the Learner and his Behaviour	125
● Understanding of Pedagogic Methods	132
● Characteristics of Children's Concepts	136
● Phases of Teaching	137
● Steps in Designing Instructional System	141
● Task Analysis in Planning of Teaching	142
● Classroom Climate and Teacher's Role in the Development of Child	143
● Multiple Choice Questions Set No. 1	153
● Multiple Choice Questions Set No. 2	166
